WHAT TO ASK:

- Do you offer my major? What are the highlights of the program?
- What is the admission process at this institution? Deadlines?
- Are the members of the faculty involved with teaching or focused on research? Will a teaching assistant or a graduate assistant teach me?
- Is tutoring available? Free?
- Are the faculty members available to meet with students outside of the classroom?
- Average class size? Student to Faculty ratio? Overall student population?
- Housing arrangements? Guaranteed housing? (4 years?)
- Safety? Security provisions?
- Do you offer a study abroad program?
- Will I have a faculty advisor? Senior project?
- What is the quality of the food service? Will I have a choice of meal plans?
- Extensive orientation program? Big Brother/Big Sister experience?
- Profile of freshman class? Retention rates of freshman students?
- Graduation rates? (4 years vs. 5 years)
